The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Coweta County Water and Sewerage new water withdrawal pump station. in fiscal year 2025. The entity to receive funding for this project is Coweta County Water and Sewerage Authority (CCWSA), located at 545 Corinth Road, Newnan GA, 30263. The funding would be used to provide resiliency to the water system by supplementing their current supply with Chattahoochee River Water. The project is an appropriate use of taxpayer funds because CCWSA's current source of water in the Alexander and Cedar Creek, which is stored in the B.T. Brown Reservoir and is susceptible to flash droughts. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects] OR Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects]. I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

Member of Congress
