Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Roadways/Stormwater/ Parking Lot Repairs/Replacements in fiscal year 2025. The entity to receive funding for this project is Roosevelt Warm Springs Vocational Rehabilitation Agency, located at 6135 Roosevelt Hwy, Warm Springs, GA, 31830. The funding would be used for the repaving of the main road into the RWS campus where there has been severe deterioration of the roadways with significant potholes and edge-of-road washout failures. Due to the deterioration of the main road leading into campus, an approximate ½ mile area from the entry road from Roosevelt Highway up to the monument sign at the entrance to Augusta University has been prioritized as a critical campus infrastructure need. The project is an appropriate use of taxpayer funds because these renovations will be used to increase economic development, historic preservation, and community infrastructure for all of which the Roosevelt Warm Springs Vocational Rehabilitation campus touches. The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
